Verse 1 chords:

**Em**                      **D**                      **Em**                      **D**  
This song is for a man and a moon that s hanging low  
**Am**                                      **Em**  
Trust in your light you know  
                    **D**                      **C**                      **G**                      **D**      **C**      **G**  
Cause it ain t just the sun that s gotta go

Verse 2 chords:

**D**              **C**              **G**              **D**              **C**              **G**  
The fog is thick in sound and people talking much too loud  
            **D**              **C**              **G**  
And when the lights go down  
            **Am**    **D**              **C**              **G**              **D**      **C**      **G**  
There s nothing like the comfort of the roo...oooo...oom

Verse 3: [use verse 2 chords]

I don t want all the trees to die among the hearts of men  
And I have met a man unlike most that I can call a friend, a friend

Verse 4: [use verse 1 chords]

This song is for man and a moon that s hanging low  
Trust in your light you know, cause it ain t just the sun that s that gotta go  
No, it ain t just the sun that s gotta go  
No, it ain t just the sun that s gotta go

Verse 5: [use verse 2 chords]

Sometime you open your eyes, dark is the only light you see  
Seeing thru the dark, it s still the light, it s still the light  
It s still the light to me, it s still the light to me

Bridge chords:

<b>Em</b>	<b>G</b>	
All these little girls are with too many words and		
<b>Em</b>	<b>C</b>	
All these little worlds collide		
<b>Em</b>	<b>G</b>	<b>Am</b>
All you ve got left is a path that you like by yourself
