DR HOOK SING THIS IN **C#** (easier to play with Capo on 1st Fret and play in D

C# **G#**
I guess the dance is over now,
C# **G#**
So you just curtsy, and I ll bow,
F# **C#** **G#**
And ask the band to play us Auld Lang Syne.
C# **G#**
And I ll just take what's left of me,
C# **G#**
Right back to where it used to be,
D# **G#** **G#7**
And you ll go sail your magic carpet far across the sky.

F#
I wish I could have made it
C#
More like the movies for you,
G# **C#** **F#** **C#** **C#7**
Some pretty Technicolor way that's never been.
F#
I'm sorry when I kissed you,
C# **G#** **A#m**
You only heard me whisper,
D# **D#7** **G#** **G#7**
You never got to hear those viol - ins, did you girl?
F# **G#** **C#** **G#** **C#** **G#** **C#** **G#**
No, you never got to hear those viol - ins.

C# **G#**
The castles that you built so high,
C# **G#**
Were just too steep for me to climb,
F# **C#** **G#**
And I guess these dirty streets of mine, were just too rough for you.

I wish I couldâ€™ve helped you see
