

I Dont Want To Be Alone Tonight

Dr. Hook

F **C**
Your phone s gonna ring in the darkness of night
C7 **F**
And you ll rise from the bed where you lay
C
And you ll answer Hello , and from out of the past
C7 **F**
A voice you once loved is gonna say

F **A#** **C** **F**
I don t wanna be alone tonight, I don t wanna be alone
A# **C** **F**
And I had to call someone who used to care
F **A#** **C** **F**
I don t wanna be alone tonight, I don t wanna be alone
A# **C** **F**
So say that you still want me and I ll be there

C
Maybe someday you ll lie there and look at the rain
C7 **F**
Feeling afraid and alone
C
Feeling of hunger you just can t explain
C7 **F**
And you ll be the voice on the phone

F **A#** **C** **F**
I don t wanna be alone tonight, I don t wanna be alone
A# **C** **F**
And I had to call someone who used to care
F **A#** **C** **F**
I don t wanna be alone tonight, I don t wanna be alone
A# **C** **F**
So say that you still want me and I ll be there

F **A#** **C** **F**
I don t wanna be alone tonight, I don t wanna be alone
A# **C** **F**
And I had to call someone who used to care
F **A#** **C** **F**
I don t wanna be alone tonight, I don t wanna be alone
A# **C** **F**
So say that you still want me and I ll be there
