I m not a bad person, I don t drink and I don t kill.
I ve got no evil habits, and I probably never will.
I don t sing like Elvis Presley, I can t dance like Fred Astaire.
But there s one thing in my favour, and yes! I m a millionaire.

Ch

And I got more money, than a horse has hairs.
Cause my rich old uncle died, and answered all my prayers.
But havin all this money, is gonna bring me down.
If you ain t with me, honey, to help me spread it around.

I could get myself a nose job, I could diet for a year,
But I ll never be Robert Redford, Cause I m much too fond of beer
Please help me to understand, it s not love I m tryin to buy.
It s just I got all this-here money, and I m a pretty, ugly guy.

But I got more money, than a horse has hairs.
Cause my rich, old uncle died, and answered all my prayers.
But havin all this money, is gonna bring me down.
If you ain t with me, honey, to help me spread it around.

Br

I don t mind if you love me for my money,
If you love me for whatever else I ve got.
But, except for all this stuff, I m alone in Fort Knox.
I don t guess I m doin all that hot.

But I got more money, than a horse has hairs.
Cause my rich, old uncle died, and answered all my prayers.
But havin all this money, is gonna bring me down.
If you ain t with me, honey, to help me spread it around.

(Money, money, money...)
