

She Was Only Sixteen

Dr. Hook

[Chorus]

G **C**
She was only sixteen, only sixteen,
D **G**
But I loved her so,
C
She was too young to fall in love,
D **G**
And I was too young to know,

[Verse]

C
We d laugh and we d sing, and do funny things,
D **G**
And it made our hearts glow,
C
She was too young to fall in love,

So why did I give my heart so fast,
C **G**
It never will happen again,
C **G**
But I was a mere child of sixteen,
D
I ve aged a year since then,

[Chorus]

G **C**

D **G**
And I was too young to know,

[Verse]

C **G**
So why did I give my heart so fast,
C **G**
It never will happen again,
