The Ugliest Man In Town - Dr. Hook

**C**  
Now handsome guys get girls that are pretty  
**F**  
Other guys get 'em 'cos they're clever and witty  
**C** **A7**  
But the only love I ever get, I get out of pity  
**Dm** **G7** **C**  
Cos I'm the ugliest man in town

**C**  
I drive down the road in a Rolls Royce car  
**F**  
Use hundred dollar bills when I light my cigar  
**C** **A7**  
But still you know, that won't get you very far  
**Dm** **G7** **C**  
When you're the ugliest man in town

**G** **C**  
There was a note on the doorstep where I was found  
**G** **C**  
It said this sweet child weighs eleven pounds  
**G** **C**  
So bring him up healthy and wealthy and stout  
**A7** **Dm** **G7**  
Keep his back to the light, don't let it turn around

**C**  
Yeah all you women you're heartless and cold  
**F**  
All you want is my silver and gold  
**C** **A7**  
And don't you know that there's a beautiful soul  
**Dm** **G7** **C**  
Inside the ugliest man in town [Boy do I got plans for us]

**G** **C**  
Yeah I'm so ugly I shave in the dark  
**G** **C**  
Kids start to cry when I walk through the park  
**G** **C**  
Clocks stop ticking and dogs start to bark

**A7 Dm G7**  
Whenever I come around

**C**  
Yeah I walk down the street and the girls all hiss me

**F**  
If I die tomorrow not one of them would miss me

**C A7**  
Only reason they ball me is they can't stand to kiss me

**Dm G7 C**  
I'm the ugliest man in town

**Dm G7 C**  
Yeah I'm the ugliest man in town
