I feel so tired I could die

D

As the night sky fall upon me

C

I think of everything I love

Bb **D**

Lonely tears are coming from my eyes

A

I watch the world around me

The little things remind me

F **D**

How my live was easier before

A

It's so hard to remember

One long cold December

F **D**

Waiting for the sun to shine on me

D **C**

If I knew what I had before

G

I would have chosen another door

D

The path I took

C **G**

Wasn't what I thought at all

C

Looking back

G

Oh, I wish I could

D

Live eternity in my childhood

A **G**

Lord I wish I could?
