

Dawn Over A New World
DragonForce

E B
In the darkness of the night in the shadows of the dawn
A E
It s turning black no looking back the sands of time are sown
E B
When the day will slowly end and the sun has turned to grey
C#m F#m A B E
Will we feel the power of freedom with the dawn of a new day?

E B
Over mountains paved with gold to the valleys of the slain
A E
Our quest will lead us onwards to the journey of the brave
E B
When the time has come to stand for the power we believe
C#m F#m A B
We will ring the sound of victory for one and all to see

C#m A B E
Sometimes in your darkest dreams you will feel the haunting prayer
C#m A B E
Silent tears of your hidden fears come to haunt you once again
C#m A B E
Fight on for the memories of the everlasting dreams
C#m A F#m B
Their pain in the silent lands on wings of glory free

A E B C#m
We can go on forever with the darkness so far away
A E C#m B
And the warriors who live forever fight on till the end

E B
Across the highest mountains and through the endless seas
C#m F#m A B
Our journey ever onwards fight until we all be free
E B
Through the darkness shining the neverending light
C#m F#m A B
On through the days of glory rise towards the fight

E B C#m F#m
And one day we will find a way towards this distant golden age
A E
The cries of war will sound the day
A B E
We stand before the dawn of a new world

F#m C#m

On through the raging thunder across the seven seas

F#m A C Dm

Cold winter skies are falling on the battles we have seen

A E B C#m

We can go on forever with the darkness so far away
