

Dawn Over A New World
DragonForce

G D
In the darkness of the night in the shadows of the dawn
C G
It s turning black no looking back the sands of time are sown
G D
When the day will slowly end and the sun has turned to grey
Em Am C D G
Will we feel the power of freedom with the dawn of a new day?

G D
Over mountains paved with gold to the valleys of the slain
C G
Our quest will lead us onwards to the journey of the brave
G D
When the time has come to stand for the power we believe
Em Am C D
We will ring the sound of victory for one and all to see

Em C D G
Sometimes in your darkest dreams you will feel the haunting prayer
Em C D G
Silent tears of your hidden fears come to haunt you once again
Em C D G
Fight on for the memories of the everlasting dreams
Em C Am D
Their pain in the silent lands on wings of glory free

C G D Em
We can go on forever with the darkness so far away
C G Em D
And the warriors who live forever fight on till the end

G D
Across the highest mountains and through the endless seas
Em Am C D
Our journey ever onwards fight until we all be free
G D
Through the darkness shining the neverending light
Em Am C D
On through the days of glory rise towards the fight

G D Em Am
And one day we will find a way towards this distant golden age
C G
The cries of war will sound the day
C D G
We stand before the dawn of a new world

Am Em

On through the raging thunder across the seven seas

Am C C Dm

Cold winter skies are falling on the battles we have seen

C G D Em

We can go on forever with the darkness so far away

C G Em D
