[Intro] **Bm G Bm G**

**D**

Coming down from the mountain ranges  
For the battle of ancient ages

**G**

Fight hard for the warrior soul  
Wage war, ride on til our destiny calls

Through the valley of black wind, burning sun  
See the warrior fight, the time has come

**G**

Fight on for the powerful Lord  
March on, stand strong til the end of the world

**A**

When the sun and stars will align again

**G**

And the land is dark and gone

**A**

And the ring of fire will be born again

**G**

For the one

[Refrão]

The price at the gates far beyond, whoa-oh-oh

For the power of powerful overlord
