F#
Spend all our lives on what we believe in
Ebm
Struggle day by day but never achieving
B
Taking our chances and follow the footsteps
C#
Ancestors will take us to this fight

F#
At the time it was blistering snowing
Ebm
Never really know about where we were going
B
Time has come now to cross over
Ebm Bb
Here and now until the curtain lowers

G# Bb
Slaying all the evil down below
Ebm B
Onwards we ride now to what we know
Ebm G#
Strong enough to stay and carry on forever
F# G#
Brace your soul to fight whenever

C# F# G# C#
Never know how far we travelled we will have our stand
C# F# G#
Across the deepest oceans gold is in our hands
C# F# G# C#
Good things will come for those who wait we can't deny
C# F# B C#
Still the battle raging and the fire burns inside

F# C# Ebm B
Take you with me, we will fly across the sea
F# B G#m C#
To the land of the sun where our journeys begun
F# C# G#m Ebm
All fear is gone, we sail till the dawn
B F# C#

Deepest fears will burn inside your mind

For the souls lost in endless time

Searching never ending for the chaos ascending

You forgot the spirits all the times pretending

Passing shades of darkness in the world around you

Finally insanity in death has found you.

F#

On the edge of life trying to pull you under

Ebm

Deep inside the storm there s a raging thunder

B

Sacrifice your innocence for prosecution

Ebm Bb

As we now prepare for the revolution

G# Bb

Slaying all the evil down below

Ebm B

Onwards we ride now to what we know

Ebm G#

Strong enough to stay and carry on forever

F# G#

Brace your soul to fight whenever

C# F# G# C#

In a time of fire we re searching blind inside the mind

C# F# G#

Run away to hell s damnation one day we will find

C# F# G# C#

Suddenly the skies are falling too late for us all

C# F# B C#

Crashing down on all creation as the towers fall

(**Bb G# F#**)

B F#

Stand Before the worlds of freedom, rise above them all

B C#

Ride towards the battle raging, victory behold

B

Blackened Steel of death tonight

F#

Our legions now descend

B

Far Beyond the gates of glory

C#

Time to rise again
