[Verse]
Cm
A black cloud now falls on this city
Bb
But under the lights
Fm   G#
Been searching for answers but this time, you
                 Bb

```
You feel so alive
Cm
Just free your own mind, it s not easy
Bb
To give all you ve got
Fm                                             G#
 Cause no one can stop you from climbing this mountain
                 Bb
And making the top

[Prechorus]
Fm                  Bb
Run, strive for the fame
            Gm*                 Cm         Choose what may sound
better to you. (G or Gm)
Part of the game, that we play time and again
Fm                              G
It s up to you to break these chains

[Chorus]
Cm           G# Bb
Reasons to live, reasons to die
 G#                       Bb
Live for the power and glory
Cm          Bb
Never give up, reach for the top
Fm                   G#           Bb
Find your own path and tonight we ll make it
Cm          G# Bb
Reasons to live, reasons to die
G#                       Bb
Live for the power and glory
Cm          Bb
Never give up, reach for the top
Fm                   G#           Bb
Find your own path and tonight we ll make it
     Cm
All right

[Interlude]x4
Cm

Cm
Now everyone wants to be something
Bb
A feeling so strong
Fm
But only one thing really matters
G#            Bb
A place to belong

Cm
Don t spend all your days in the shadows
```

```
Bb
You re not on your own
Fm
But just keep on fighting
                         G#                              Bb
 Cause you ll never know you ve got  til it s gone

Fm                Bb
Run, strive for the fame
