## Storming The Burning Fields DragonForce

G Bursting through the fires avenging Fatal warning battles are raging Power of darkness rise for the fight We ll be strong and stand our ground Death is all around us and my heart is beating weaker Fight the day with power of immortal souls arise D Fire in our hearts the evil rages on forever more Burning until the battle rage is gone Through damnation we rise, sign of the times Master of bleeding eyes Thunder on high, look to the sky You never gonna take us down! SCREAM IT!!! E# And we will crush the evil standing On the temple in the fire storming Fly beyond the lost horizons high E# Heroes of the night are calling See the promised land is falling Reaching for the powers deep inside On through the night Blinded by the hate and desire Burning in your heart like a fire

Challenging all the suffer and fear
C
Our horizons take control

G D C
Blood spills all around us and our enemies draw nearer
G D C
Sacrifice your life to have them carry you away
G D C
Take us to the plains of death and carry on forever more
G D C
Burning on the dreams of memories long gone

E# D
And you ll die for your crimes, sign of the times
C
Master of endless lies
E# D
Fight to the end, now we ascend
C
Together we will take them down! SCREAM IT AGAIN!!!

END
