Intro: **B F# G#m E F#**

**B** **F#**  
Here we are, far beyond the distant sky  
**G#m** **F#**  
I ve seen all the world and how the story will be over  
**B** **F#**  
Through the snow and tainted mountains we have climbed  
**G#m** **F#**  
Now we have found the light that guides us over  
**E** **G#m** **F#**  
Through the falling rain we ve travelled far and wide  
**E** **G#m** **F#**  
And through the blackest darkness, stars above shining bright

**B** **F#**  
Through the sun and winter rain will fall  
**G#m** **F#**  
All our lives we all were waiting for a sign to call  
**B** **F#**  
We re walking hand in hand in dreams of endless time  
**G#m** **F#**  
How do we know when we will leave this life behind?

**E** **B**  
Stare at life through eyes of mine  
**G#m** **F#**  
The hate, the fear and the pain  
**B** **G#m**  
There s a feeling held deep inside  
**E** **F#**

(Life you live is in vain)

**B** **F#** **E** **F#**

**B** **F#** **C#m** **F#**  
We close our eyes to see the light of brighter days  
**B** **E** **F#** **G#m**  
And all alone we ll be where time can never heal  
**E** **F#** **B**  
With the trail of broken hearts flying free

**B** **F#**  
Once again we walk this lonely road  
**G#m** **F#**

There are times that we were wading through the rain and cold

**B** **F#**  
We re lost in memories of what we left behind  
**G#m** **F#**  
Relive the dreams, the endless screams of pain inside

**E** **B**  
Lives are filled with emptiness  
**G#m** **F#**  
The fear returns once again  
**B** **G#m**  
Searching endlessly, now we will see
