

California Man  
Drake Bell

[Intro]

E D E

[Verse 1]

Going to a party, meet me out after school  
Well, we re going to a place where the jive is really cool  
And if the band stops playing there s a jukebox in the hall  
Well, with your blue dress on and your folks all gone  
You ll sure give the guys a ball

[Pre-chorus]

Get that real guitar boy shakin  
I m a California man  
Dance right on till the floors are breakin  
I m a California man

[Chorus]

Well I cross my mamma so bad  
And this woman, she s making me mad  
So I don t care if your legs start aching  
I m a California man

[Verse 2]

Oh my legs start to shiver when I hear you call my name  
Well, my knees keep a-knocking and I m feeling tired bugs me down  
And when we take off fine and my jeans are way down low  
When I waggle my hips it s making me feel  
Like the king of rock n roll
