

Hollywood Girl
Drake Bell

Artist: Drake Bell

Song name: Hollywood girl

This song isn't very hard to play. I'm not so sure about intro, but I think it sounds close enough.

- (minus)= you have to play chord in front of minus at the exact place as minus

Intro: Put your fingers in position of Am chord (not bare)

and put your thumb on the 6th string (don't press it too hard, you mustn't play the sound)

play 6th and 5th string and every fourth time play 6th, 5th, 4th and 3rd string.

Verse: (Same as intro)

Hollywood girl

Is lost again

All of her hopes left her stranded

Seasoned dreams

Are just pretend
