 INTRO:
D – **D** – **Dsus2** – **Dsus4** – **D**

 VERSE 1:
```
   G        A       D
 Lights up on the scene
         G       A                F#m         Bm
 Where tired clichÃ©s won t let us fall asleep
         G            Gm/A#       D           E/G#
 We re punching the pillows and tangled in sheets
       G         D/F#  Em
 And no one s listening
```

VERSE 2:
```
   G      A       D
 Don t say anymore
             G           A                F#m           Bm
 You ve thrown all our pictures, I ve slammed every door
   G                    Gm/A#        D          E/G#
 Let s just take your car like we used to before
       G         D/F#  Em
 When we d go missing
```

 CHORUS 1:
```
   D                                      Bm
 Let s drive right past the exits and stop signs
                                 G
 Let s try to forget that we both know we messed up
       F#m        Bm
 We ve already wrecked this
     A#                       A
 We won t talk about that tonight
         D
 Let s drive
```

 TRANSITION:
D – **Dsus2** – **Dsus4** – **D**

```
VERSE 3:
  G       A         D
How can we get back
      G          A         F#m           Bm
To another lost weekend with no strings attached?
              G        Gm/A#          D        E/G#
Cause we re tied up in knots that re unraveling fast
         G        D/F# Em
There s something missing

CHORUS 2:
   D                                      Bm
Let s drive right past the exits and stop signs
                                   G
Let s try to forget that we both know we messed up
       F#m         Bm
We ve already wrecked this
      A#                         A
We won t talk about that tonight
          D
Let s drive

TRANSITION:
D - Dsus2 - Dsus4

BRIDGE:
G
   Seen how this plays out
         Bm                         Em
   We re just gonna crash or break down
(F#m)    G
   But this time when the road winds
         Bm                         Em
   We ll just hope and try to turn this around
             C
   If we can turn around
       D
   So let s drive right past the exits
        Bm          G              D
   We re all right for now (So let s drive)

CHORUS 3:
   D                                      Bm
Let s drive right past the exits and stop signs
                                   G
Let s try to forget that we both know we messed up
       F#m         Bm
We ve already wrecked this
   A#                         A
We won t talk about that tonight
```

```
    A#                          A
 We won t talk about that tonight
         D
 Let s drive

 OUTRO:
D - Dsus2 - Dsus4 - D (x2)
```

```
    A#                          A
 We won t talk about that tonight
         D
 Let s drive
```
