

**Lonely**  
**Drake Bell**

**Am** **D7**  
Didn't know what this feelin' was  
**Am** **D7**  
Til it stopped right behind me  
**Am** **D7**  
Don't know if I call it love  
**Am** **D7**  
But I'm not takin' it lightly  
**F**  
Cause I'm livin' in my own world

No one cares if I stay or go  
**Am** **G**  
Away from  
**F**  
Here in my own world

I don't have much to show  
**Am** **G** **D**  
But one thing I know

(Chorus)

**C** **G**  
Lonely  
**Bb** **A7**  
Has always been friends with me  
**Dm** **Fm** **G**  
And I don't know if I could give you what you need and  
**C** **G**  
Lonely

**A** **A7**  
Has always had time for me  
**Dm** **Fm** **G**  
But maybe your love

**Am**  
Is just what I need  
**Am** **D7**  
Take away this pain

**Am** **D7**  
That I have created  
**Am** **D7**  
Cause you helped me change  
**Am** **D7**  
Cause I'm broken and faded

**F**  
Cause I'm livin' in my own world

No one cares if I stay or go
