Move On Drake Bell

Verse 1

(Palm Mute)

I Painted the wrong house

Cos you made up your mind and left me behind

could you fire who gave you the covers

you said i was so far in front of the others

But im lasting a long ride

people would say that

your the one that got away

Bridge

E D E

My whole world is black and blue

E D F

your everything i knew

E D B (**A**)

If i could get over you

Chorus

E A

I could move on

Abm A

I could move on

Verse 2

(Palm Mute)

The day is a new the past is forgotten

But still i remember when i fell rotton

Cos im sick of the same things

got to open my mind and leave her behind

with everyday i feel alot stronger

cos yesterday dont live any longer

yes the future is so bright
gotta kick up the dust and hope for the bus
