Em C G D

Yeah, for me, for me, yeaaaah, yeaaaah

Know things get hard, but girl you got it

Girl you got it, there you go

Can't you tell by how they looking

At you everywhere you go

Wondering what's on your mind

Must be hard to be that fine

All these motherfuckers wanna waste your time

It's just amazing girl, all I can say is

When a good thing goes bad,

It's not the end of the world,

It's just the end of the world that you had with one girl

She's the reason it happened

She's overreacting

All because she don't want things to change

So cry if you need to

But I can't stay to watch you

It's the wrong thing to do, oh

Touch if you need to, but I can't stay to hold you

It's the wrong thing to do, oh

Talk if you need to, but I can't stay to hear you,

It's the wrong thing to do, oh

'Cause you'll say you love me, and I'll end up lying

And say that I love you too, oh

But I need something different, you know it, oh oh, you know it

Oh

Something's been missing, you know it, oh, oh, you know it,

C

Oh

Em (Bass Strum) D

C

Iâ€™ve asked about you and theyâ€™ve told me things

Em

D

C

But my mind didnâ€™t change, I still feel the same

Em

D

C

Whatâ€™s a life with no fun, donâ€™t be so ashamed

Em

D

C

Iâ€™ve had mine, youâ€™ve had yours, we both know, we know

Em

D

C

They donâ€™t get you like I will, my only wish is I die real

Em

D

â€™Cause the truth hurts and those lies heal

C

You canâ€™t sleep thinking that he lies still

Em

D

C

So you cry still, tears all in the pillow case, big girls all get a little taste

Em

D

C

Pushing me away so I give her space, dealing with a heart that I didnâ€™t break

Em

D

C

Iâ€™ll be there for you, I will care for you, I keep thinking you just donâ€™t know

Em

D

Trying to run from that, say youâ€™re done with that,

C

On your face girl, it just donâ€™t show

Em

D

C

When youâ€™re ready, just say youâ€™re ready, when all the baggage just ainâ€™t as heavy

Em

D

C

When the partyâ€™s over, donâ€™t forget me, weâ€™ll change the pace and just go,

Em

D

C

You wonâ€™t ever have to worry

Em

D

C

You wonâ€™t ever have to hide

Em

D

C

Youâ€™ve seen all my mistakes

Em

D

C

And I can see it in your eyes

D

That youâ€™re angry, regret ainâ€™t got shit on what youâ€™re feeling now

Em

Am

Mad â€™cause he ainâ€™t like me, oh you mad â€™cause nobody ever did like me

C

All the care I would take, the love that weâ€™d make

D

Em

Now trying to find someone to compare to what I gave to ya

Am

Itâ€™s a shame you didnâ€™t keep it, Alicia, Katiya, I know youâ€™ve gotta hear this

C

D

Iâ€™m the man, yeah I said it, bitch Iâ€™m the man, donâ€™t you forget it

The way you walk, that's me, the way you talk, that's me  
 C  
 The way you got your hair up, did you forget that's me  
 D Em  
 The voice in your speakers right now, that's me, that's me  
 Am  
 Yeah, the voice in your ear, that's me, can't you see  
 C D  
 That I made it, yeah I made it, looks I made you who you are then I made it  
 Em Am  
 And you're wasted with your ladies, and the reason why you're always getting faded  
 Am (ring) G (bar)  
 Is that I'm too strung out on compliments, overdosed on confidence  
 C  
 Started not to give a fuck and stopped fearing the consequence  
 Am G  
 Drinking every night because we drink to my accomplishments  
 C  
 Faded way too long, I'm floating in and out of consciousness  
 Am (strum) G  
 And they say that I'm back, I'd agree with that  
 C  
 I just take my time with all this shit, I still believe in that  
 Am G  
 I had someone tell me I fell off, ooh I needed that  
 C  
 And they want to see me pick back up, well, where'd I leave it at?  
 Am G  
 I know I exaggerated things, now I got it like that  
 C  
 Tuck my napkin in my shirt 'cause I'm just mobbing like that  
 Am G  
 You know good and well that you don't want a problem like that  
 C  
 You gonna make someone around me catch a body like that  
 Am G  
 Oh, don't do it, please don't do it  
 C  
 'Cause one of us goes in and we all go through it  
 Am (strum) G  
 Drizzy got the money, so Drizzy gonna pay it  
 C  
 Am  
 Those my brothers I ain't even gotta say it its just something they know  
 G C  
 They know, they know, they know  
 Am G C  
 They know, they know, they know, they know  
 Am G C  
 That the real is on the rise, fuck them other guys, I even gave 'em a chance to decide,

**Am**

Now its something they know

**G**

**C**

They know, they know, they know

**Am**

**G**

**C**

I be yelling out money over everything, money on my mind, mind

**Am**

**G**

**C**

I tell 'em I apologize, it happened over time, time

**Am**

**G**

**C**

They know
