[Verse]

I know girls love BeyoncÃ©
Girls love to fuck with your conscience
Girls hate when niggas go missing and shawty you ainâ€™t no different
These days itâ€™s hard to meet women
Feel like my love life is finished
Iâ€™ve been avoiding commitment
Thatâ€™s why Iâ€™m in this position
Iâ€™m scared to let somebody in on this
No new friends, no no no
You know how this shit go
You got your fair share of admirers that call your phone
You try to act like itâ€™s just me, but Iâ€™m not alone
But if youâ€™re alone then, say my name, say my name

[Hook: James Fauntleroy]

Say my name, say my name
When no one is around you
Say, â€œBaby, I love youâ€•
If you ainâ€™t running games
Say my name, say my name
You actinâ€™ kinda shady, baby
Why the sudden change?
Say my name
Say my name
Say my name
Say my name, say my name
If no one is around you

[Verse 2: Drake]

Yeah
Uh
Say my name, say my name
â€™Cause those other men are practice
And this ainâ€™t no time for actinâ€™
And this ainâ€™t no time for games
And this ainâ€™t no time for uncertainty

And this ain't no time for locking your phone and not coming home
and startin' some shit when I'm in the zone
This is why I've been saying
No new friends, no no no
You know how this shit goes
This is not four years ago
Time escapes me
Now forget how it felt when this shit move slow
I come through in whips that make a young boy take the long way home
All my young boys 'round me saying, 'Get money and fuck these hoes'.
Where we learn these values? I do not know what to tell you
I'm just trying to find a reason not to go out every evening
I need someone that'll help me think of someone besides myself
I need someone I leave through the front door with
'Cause we don't wanna hide no more
'Cause you're not shy no more
Neither one of us wanna play the side no more
No, I'm not alone
Even though nothing was the same
Let me get your ass alone
Let me make you say my name
Say my name

[Hook: James Fauntleroy]
Say my name, say my name
When no one is around you
Say, 'Baby, I love you'.
If you ain't running games
Say my name, say my name
You actin' kinda shady, baby
Why the sudden change?
Say my name
Say my name
Say my name
Say my name, say my name
If no one is around you
