Drake

Bm, C#m, D

Thought Out Song. Its Simple. Just get the timing down and its all good.

[Verse 1]

Bm

I might be too strung out on compliments

C#m

Overdosed on confidence

D

Started not to give a fuck and stop fearing the consequence

Bm

Drinking every night because we drink to my accomplishments

Faded way too long Iâ€™m floating in and out of consciousness

And they sayinâ€™ Iâ€™m back, Iâ€™d agree with that

I just take my time with all this shit, I still believe in that

I had someone tell me I fell off, ohh I needed that

And they wanna see me pick back up, well whereâ€™d I leave it at

I know I exaggerated things, now I got it like that

Tuck my napkin in my shirt, cause Iâ€™m just mobbinâ€™ like that

You know good and well that you donâ€™t want a problem like that

You gone make someone around me catch a body like that

No donâ€™t do it, please donâ€™t do it, cause one of us goes in

And we all go through it

So Drizzy got the money, so Drizzy gone pay it

Those my brothers

[Chorus]

I ainâ€™t even gotta say it

Thatâ€™s just something they know

They know, they know, they know

They know, they know, they know

They know, they know, they know

Yeah they know yeah

That the real is on the rise

Fuck them other guys

I even gave them a chance to decide

Now its something they know

They know, they know, they know

Yeah I be yelling out money over everything, money on my mind.

Then she wanna ask when it got so empty

Tell her I apologize it happened over time

[Verse 2]

She says they missed the old drake, girl donâ€™t tempt me

If they donâ€™t get it, theyâ€™ll be over you

That new shit that you got is overdue
You better do what you suppose to do
I ain't like why I gotta be all that but still I can't deny the fact that
it's true
Listen to you expressing all them feelings
Soap opera rappers all these niggas sound like all my children
And that's who you thinking is 'bout to come and make a killing
I guess it really is just me, myself and all my millions.
You know the game even got it like that.
You gone hype me up and make me catch a body like that
Cause I live for this it isn't just a hobby like that.
When they get my shit and play it

[Chorus]

I ain't even gotta say it
That's just something they know
They know, they know, they know
They know, they know, they know
They know, they know, they know
Yeah they know yeah
That the real is on the rise
Fuck them other guys
I even gave them a chance to decide
Now its something they know
They know, they know, they know

I be yelling out money over everything, money on my mind.
Tell em I apologize it happened over time
