

Chorus

E5

One thing 'bout music, when it hits you feel no pain
And I swear I got that shit that make these bitches go insane
So they tell me that they love me, I know better than that, it's just game
It's just what comes with the fame, and I'm ready for that, I'm just
sayin'
But I really can't complain, everything is kosher
Two thumbs up, Ebert and Roeper
I really can't see the end getting any closer
But I prolly still be the man when everything is over
So I'm riding through the city with my high beams on
Can you see me? Can you see me? Get your Visine on
Y'all just do not fit the picture, turn your widescreen on
If you thinkin' I'ma quit before I die, dream on
Man, they treat me like a legend, am I really this cold?
I'm really too young to be feelin' this old
It's about time you admit it, who you kiddin', man?
Man, nobody's never done it like I did it (Ugh)
