

Take Care
Drake

Hey guys!

This is my first tab and I hope you all like it!

So it s basically **Em, C, G, D** with no capo the whole entire song.
Pretty easy huh? Just go ahead and have fun with it.
For strumming I just follow what youtube user KaylaTaitz does.

[Rihanna]

I know you ve been hurt by someone else
I can tell by the way you carry yourself.
If you let me, here s what I ll do I ll take care of you (I ll take, I ll take,
I ll take)
I ve loved and I ve lost.

[Drake: verse 1]

I ve asked about you and they ve told me things but my mind didn t change I
still the
feel the same what s a life with no fun, please don t be so ashamed I ve had
mine, you ve
had yours we both know, we know.They don t get you like I will my only wish is I
die
real cause that truth hurts, and those lies heal and you can t sleep thinking
that he lies
still so you cry still, tears all in the pillow case, big girls all get a little
taste
pushing me away so I give her space dealing with a heart that I didn t break.I
ll be
there for you, I will care for you I keep thinking you, just don t know try to
run from
that, say you re done with that on your face girl, it just don t show.When you
re ready,
just say
you re ready when all the baggage just ain t as heavy and the parties over, just
don t
forget me we ll change the pace and we ll just go slow. You won t ever have to
worry,you
won t ever have to hide,you ve seen all my mistakes,so look me in my eyes.

[Rihanna]

Cause if you let me, here s what I ll do
I ll take care of you (I ll take, I ll take, I ll take)
I ve loved and i ve lost.

[Drake: verse 2]

It s my birthday, I ll get high if I want to can t deny that I want you, but I
ll lie if
have to cause you don t say you love me to your friends when they ask you even

though
we both know that you do (you do). One time, been in love one time you and all
your
girls in the club one time all so convinced that you re following your heart
cause your mind
don t control what it does sometimes. We all have our nights though, don t be so
ashamed
I ve had mine, you ve had yours, we both know, we know. You hate being alone you
ain t
the only one you hate the fact that you bought the dream and they sold you one
you love
your friends but somebody shoulda told you somin ,to save you

(Something to do here is play We Found Love same chords)

[Rihanna]

I know you ve been hurt by someone else
I can tell by the way you carry yourself
if you let me, here s what I ll do I ll take care of you (I ll take, I ll take,
I ll take)
I ve loved and I ve lost. (end on Am)
