Emerald City -- Dramarama

The song is all downstrums, over and over, just three boring chords...

Actually, the first chord is 3 chords... but this is how it works.

D, D with a hammer on high E 3rd fret, D, D without finger on high E, G7, C, C ... then it repeats. Sorry to use thse horribly untechnical terms... I just play the songs, I dont know the names for everything. (In case I m wrong about the name, the G7 is a G with the B fingered on the 3rd fret added). The lyrics go something like this...

I ve finally found it,
I m feeling my way all around it,
I m gonna surround it,
Soon everything s going to be fine.
Hey, hey, I can do what I say...

I m lost in a sweet dream,
I m living on chocolate ice cream,
I m letting off my steam,
Now everything s going to be fine.
Hi, hi, I think I ll learn how to fly...

I went for the rental,
Those costumes were so continental,
How coincidental,
They said everything would be fine.
Ho, ho, I think I m ready to go...

Hope you like it. This is one of my favorite Dramarama songs.
