Losing You Dream Evil

Didn t find any chords to this song so I decided to tab it myself, hope you like it!

Intro: Am G
Am G

Am G F

Am G

In the dead of the night

Am G

As the candles die out

Am G F

I m watching her going to sleep

Am G

She has to be strong

Am G

She s left all alone

Am G F

I have to go out in the fields

Dm G

You re all I ever wanted

Am G Am G

There s just pain without you

Dm G

But something came between us,

F E

My love

Am C

Words cannot express

Am G

The sorrow I feel

Am G F

I wish I could turn back time

Am G

To where we began

Am G

Where love has no end

Am G F

And you and me were as one

Dm G

You re all I ever wanted

Am G Am G

There s just pain without you

Hear the angels cry in heaven, my love I m scared I might be losing you E Am and I don t know which way to turn Dm I feel I might be losing you F E I can t live my life without your love Am The sound of your breath The smell of your hair G The touch of your golden skin They keep me awake Through out every night To think of what might have been Dm You re all I ever wanted Am G You re my life and my lust I could never mean to hurt you, my love Αm G I m scared I might be losing you E Am and I don t know which way to turn DmI feel I might be losing you F E I can t live my life without your love E C Am DmI have fought so many battles I have suffered so much pain Without you to love and hold me All of this would be in vain

Dm

I m scared I might be losing,
I feel I might be losing you
I can t live my life without your love

I m scared I might be losing you and I don t know which way to turn I feel I might be losing you I can t live my life without your love
