

Em C Em

A new beginning

D

And I just want to make new waves

Em C

And find a new way out

Em G

[Verse 2]

C

Sometimes I am weightless

D Em

Just drifting through this life unconscious

G C

A wanderer chasing a dream

D Em

Walking the edges of reality

C

Is it just me?

[Bridge 1]

I don't need another bug in my brain

G C

To feel transiently okay

D Em

I'm off all those prodigal old ways

G

I found a new start

C

On new waves

[Pre-Chorus]

Em

I've worked too hard

D G C

My head and my heart got me this far

D

I'll wear these scars on my sleeves

C Em

Real proud, like my broken heart

[Chorus]

D

Cause all I want is another chance

Em C

A new beginning

Em D

And I just want to make new waves

C G C D Em G D C

And find a new way out

[Bridge 2]

I don't need another bug in my brain

G C

Just wanna feel myself again

D Em

I'm off all those prodigal old ways

G

I made a new start

C

On new waves

[Pre-Chorus]

Em

Because I've worked too hard

D C

You know I've come too far

D

And I'll wear my scars

C

Real proud just like my

[Chorus]

Em D

Cause all I want is another chance

Em C

Just a new beginning

Em D

And I just want to make new waves

Em C

And find a new way out

[Outro]

Em D

All I want is another chance

A new day, a new life

Dm C

I wanna get out

Em

And I just want to make new waves

C

And find a new way out
