[INTRO - THEME]

| E | E/G# A | E | F#m A |
| E | E/G# A | E | C#m A |

[Verse 1]

E E/G#
Is there ever really a right time?
C#m A
You had led me to believe someday you ll be there for me
E E/G#
When the stars above the light
C#m A
When you weren t so consumed I kept looking for the clues
F#m B
So I waited in the shadows of my heart
F#m B
And still the time was never right

[Chorus 1]

E A
Until one day I stopped caring
E B
And began to forget why I longed to be so close
E C#m
And I disappeared into the darkness
F#m C#m
And the darkness turned to pain and never went away
F#m A B E
Until all that remained was buried deep beneath the surface

[INTERLUDE 1 - THEME]

| E | E/G# A | E | F#m A |
| E | E/G# A | E | C#m A |

[Verse 2]

E E/G#
A shallow of what things could ve been
C#m A
Tired bones beneath of them I ve guarded secrets out your frame
E E/G#
Sort of thing I never knew
C#m A
You were searching for the words, for the moment to emerge
F#m B

Yet the moment never came

F#m **B**
You couldn't risk my fragile frame

[Chorus 2]

E **A**
Until one day you stopped caring
E **B**
And began to forget why I tried to be so close
E **C#m**
And you disappeared into the darkness
F#m **C#m**
And the darkness turned to pain and never went away
F#m **A** **B** **E/G#**
Until all that remained was buried deep beneath the surface

[Interlude 2]

| **G#m** | **A** | **E** | **B** |
| **G#m** | **A** | **E** | **B** |

[MID-8]

G#m **A**
I would scream just to be heard
E **B**
As if yelling at the stars, I was bleeding just to feel
G#m **A**
You would never say a word
E **B** **B (let ring)**
Kept me reaching in the dark, always something to conceal

[Chorus 3]

E **Emaj7** **E4 (let ring)**
Until one day I stopped caring
E **B**
And began to forget why I longed to be so close
E **C#m**
And I disappeared into the darkness
F#m **C#m**
And the darkness turned to pain and never went away
F#m **A** **B** **E**
Until all that remained was buried deep beneath the surface

[OUTRO - THEME]
