```
      C                      C/F#
Safe in the light that surrounds me
      F                      C  C/C#
Free of the fear and the pain
      C/B
My subconscious mind
      C/A
Starts spinning through time
      D/G#                      Gsus4  G
To rejoin the past once again
```

```
      C
Nothing seems real
      C/F#
I'm starting to feel
      F                      C  C/C#
Lost in the haze of a dream
      C/B
And as I draw near
      C/A
The scene becomes clear
      D/G#                      Gsus4  G
Like watching my life on a screen
```

```
      F                      G                      Gsus4
Hello Victoria so glad to see you
      C
My friend
```
