

The Count Of Tuscany
Dream Theater

This is only the last part of the song, but that part alone is a masterpiece if you ask me.

Listen to the song for the strumming pattern.

Promising a vast adventure
The next thing that I know
I'm frightened for my life

Now wait a minute man
That's not how it is
You must be confused
That isn't who I am
Please don't be afraid
I would never try to hurt you
But this is how we live, strange although it seems
Please try to forgive

The chapel and the saint
The soldiers and the wine
The fables and the tales
All handed down through time
Of course you're free to go
Go and tell the world my story
Tell them of my brother, tell them about me
The Count of Tuscany

End on **Bbm**.
