[INTRO]

Am F Am F Am

[VERSE]

Let it out, let it out, fill the empty space
So insecure, find the words and let it out
Staring down, staring down, Nothing comes to mind
Find the place, turn the water into wine

[PRE-CHORUS]

But I feel I m getting nowhere
And I ll never see the end

[CHORUS]

So I wither, and render myself helpless
I give in, and everything is clear
I break down, and let the story guide me

Close your eyes, see the ones you used to know
