

**Black And White**  
**Dreamers**

[Verse 1]

**D**  
Run away run away  
**G**  
Can I bury my head please  
**F#m**  
In a beach from your magazines  
**G**  
That you toss on your floor  
**D** **G**  
If I stay, could we lay and forget about all of this  
**F#m** **G**  
In your bed, is that selfish if I don t talk anymore?

[Pre-Chorus]

**F#m** **Em**  
We re two halves of a broken heart  
**Bm** **D**  
Beating differently  
**F#m** **Em (hold)**  
We come together to fall apart

[Chorus]

**Bm** **G** **D**  
I never listen, listen lately  
**Em**  
It s always black and white  
**Bm** **G** **D**  
She never listen, listen baby  
**Em**  
We re like the day and night  
**Bm**  
She never satisfied  
**G** **D** **D/C#**  
I wanna feel alive, when we collide  
**Bm** **G (hold)**  
You know we love in black and white

**D**

[Verse 2]

**D** **G**  
I m afraid, I m afraid we ve been running in circles  
**F#m** **G**  
And isn t it hurtful, to keep playing this game?

Is there a way to escape looking out of your window

**F#m**

At the moon from your pillow

We were so cliché
