Album: The Pariah, The Parrot, The Delusion

Well, this is acctually just some kind of interlude on the album and not that hard to play but if can t figure it out by yourself here are the chords!
;-)

```
C               Em   G
  I m not the one to blame
C               Em   G
  We are all part of the problem
C               Em   G
  Damn for your complaints
C
  We re all...
Am      D      G
  We re all to blame
```
