

**Bury Me
Dresden**

Bury Me By Dresden (Be-Easy)

warning this is my first tab, some of it still sounds a little off
(i.e. I figured out the basic chords and it sounds close enough but
they are likely using modified chords for some of them)

Intro (B G#m C#m)

Verse I

B G#m
you found me here
Cm B
buried beneath my bitter heart
G#m C#m B
it was so simple for me to keep you on the outside
G#m
so i let you stay there to tell me the view
C#m B
from the dark
G#m
the dark has always told me how to act
C#m B
from the start

loop intro

Verse II

B G#m
dont shut me out my blood is running colder
C#m B
this year
G#m
and i saved it all in a shot glass for you
C#m B
for you
G#m
I m growing tired of this run around
C#m B
I m running through
G#m
don t let me down, I let you down
C#m
I let you down

pre-chorus (B F# G#m F#)

Chorus I
