

**Guns And Roses**  
**Drew Baldridge**

Capo on 4th or 5th Fret, depending on how you like it.

[Intro]

**G Em C D**

[Verse]

**G** **Em**  
High heels and a black dress  
**C** **D**  
Standing out by the mail box  
**G** **Em** **C** **D**  
Waiting on a pair of blue jeans, old boots and a burned out head light  
**G** **Em**  
Coming round the corner hot  
**C** **D**  
Like a bull in a China shop  
**G** **Em**  
And she s standing there like a chandelier  
**C** **D** (single strum)  
In a ball room, all dolled up

[Chorus]

**G** **Em**  
I m a 12 gauge and she s a wild flower  
**C** **D**  
Gravel and gold but somehow we own it  
**G** **Em** **C**  
That kiss hits feels so legit, I m talking hundred percent  
**D**  
Yea all I really know is  
**G** **Em**  
When we re together its right  
**C** **D**  
We fit together just like  
**G** **Em** **C** **D**  
Rain and dancing, sand and oceans, dust and diamonds, guns and roses  
**G Em C D**

[Verse]

**G** **Em** **C** **D**  
I can clean up pretty good, but she s a drop dead magazine cover  
**G** **Em**  
And you can tell with a quick look  
**C** **D**  
One of these things is not like the other

[Chorus]

**G** **Em**  
I m a 12 gauge and she s a wild flower  
**C** **D**  
Gravel and gold but somehow we own it  
**G** **Em** **C**  
That kiss hits feels so legit, I m talking hundred percent  
**D**  
Yea all I really know is  
**G** **Em**  
When we re together its right  
**C** **D**  
We fit together just like  
**G** **Em** **C** **D**  
Rain and dancing, sand and oceans, dust and diamonds, guns and roses  
**G Em C D**

[Bridge]

**G** **Em**  
She loves rock and roll  
**C** **D**  
And I love a gypsy soul

[Chorus]

**G** **Em**  
I m a 12 gauge and she s a wild flower  
**C** **D**  
Gravel and gold but somehow we own it  
**G** **Em** **C**  
That kiss hits feels so legit, I m talking hundred percent  
**D**  
Yea all I really know is  
**G** **Em**  
When we re together its right  
**C** **D**  
We fit together just like  
**G** **Em** **C** **D**  
Rain and dancing, sand and oceans, dust and diamonds, guns and roses

[Outro]

**G Em C D**
