Blood And Bones
Drew Tabor
Blood and Bones - Drew Tabor
(Capo 2)
Intro: G G
Verse 1
Put down the gun, unclench your fists
You don t need to go like this
Take a step back and unlock the door
Verse 2
I know you ve got a broken heart from head to toe
You re covered in bandages so it won t show
But you don t need to run, run from your blood and bones
Refrain
G->A->C
L o v e your blood and bones
G->A->C
L o v e your blood and bones
Verse 3
You re paralyzed by city streets
You d rather walk on blank defeat
And cry for the life that you can t seem to live anymore
Verse 4
But nobody needs you to smile today
It takes a while to fight through the grey
It takes a while to fight through the pain
Refrain
G->A->C
L o v e your blood and bones
```

G->A->C

 ${\tt L}$ o ${\tt v}$ e ${\tt your}$ blood and bones

End

C D G

You can t change what you already know

C D

So love your blood and bones

C D G

So love your blood and bones
