Am F C G

Am F C G

364 days of the year I don't care

Am F C G

I play it cool and a smile is what I wear

Am F C G

But I'm allowed one day to let the walls come down

Am F C G

I'm allowed a day to lose what I've found

Em Dm

I know that you didn't want to change

Am G

You forced yourself away and didn't accept who you became

Em Dm

But that's not a way to live and though you gave it your best shot

Am G

I could never let you be someone you're not

Am F C G

I want to say it was against my will

Am F C G

I'd like to tell you that love is what I really feel

Am F C G

But I don't regret it one year later

Am F C G

Still I never thought I'd be the heartbreaker

Am F C G

Am F C G

You're calling me and I just don't know what to say

Am F C G

Every piece of me is trying to pull away

Am F C G

You're not ready to let go, you've tried to hide it a thousand times

Am F C G

And I'm not stupid I can see it in your eyes

Em Dm

I know how much you didn't wanna change

Am G

But I forced you away and didn't accept who you became

Em Dm

And you couldn't bring it back and though you gave it your best shot

Am **G**

You could never make me be someone I'm not

Am **F** **C** **G**

I want to say it was against my will

Am **F** **C** **G**

I'd like to tell you that love is what I really feel

Am **F** **C** **G**

But I don't regret it one year later

Am **F** **C** **G**

Still I never thought I'd be the heartbreaker

Am **F** **C** **G**

I don't know what to do, I don't know what to do

Am **F** **C** **G**

With a guilty conscience and a picture of you

Am **F** **C** **G**

I don't know what to do, I don't know what to do

Am **F** **C** **G**

I tried to break it gently but you're making me smash it into two

Am **F** **C** **G**

364 days of the year I don't care

Am **F** **C** **G**

I know it was right, I know I played fair

Am **F** **C** **G**

But it's hard to sit here one year later

Am **F** **C** **G**

Knowing I was the heartbreaker
