

Small

Drew Tabor

Capo on 3rd fret

Verse **G Cadd9**

8 pm and I m long gone, I want to go to sleep
I don t know why day to day challenges take such a toll on me
The rain gets me down and the sunlight wears me thin
I ve had enough small talk I ve had enough of everything

Pre chorus **G Cadd9 Em7 Dsus**

I know I m falling, falling, falling slow
But I m begging, begging, please don t go
I know I m not much fun but when the day is done
I love you so

Chorus **G Cadd9 Em7 Dsus**

I don t mean to be a wreck, I don t mean to weigh you down
I never meant to be this heavy burden that I ve become now
I don t mean to cry every five minutes, I don t mean to lose it all
I don t mean to be so fragile, I don t mean to be so small

Verse **G Cadd9**

You d never say it but I know I let down I can see it on your face
I try to soldier on but it always turns out wrong I always feel so out of place
The sea it swallows me and the ground it sways beneath my toes
I m pretty good with balance but I m breaking more than you know

Pre Chorus **G Cadd9 Em7 Dsus**

I know I m falling, falling, falling slow
But I m begging, begging, please don t go
I know I m not much fun but when the day is done
I love you so

Chorus **G Cadd9 Em7 Dsus**

I don t mean to be a wreck, I don t mean to weigh you down
I never meant to be this heavy burden that I ve become now
I don t mean to cry every five minutes, I don t mean to lose it all
I don t mean to be so fragile, I don t mean to be so small

I don t mean to lose my cool, I don t mean to bring you down
I never planned on being someone that would shut you out
I don t mean to fall short of every goal, I don t mean to lose it all

I don't mean to be so fragile, sometimes I just feel so small
