GODDAMN LONELY LOVE      Jason Isbell-Drive By Truckers

[Intro]

| **Am**      | **C**      | **G**      |      | **Am**      | **C**      | **G**      |

[Verse]

I got

| **Am**      | **C**      | **G**      |

green and I got blues and every

| **Am**      | **C**      |

day there s a little less difference between the two.

| **G**      |

I belly-

| **Am**      | **C**      | **G**      |

up and disappear. Well I

| **Am**      | **C**      |

| **G**      |

ain t really drowning cause I see the beach from here. I could

**Am**      |      | **C**      |

take a Greyhound home but when I got there it d be gone along with

**Cm**      |      | **G**      |

everything a home is made up of.

So I ll take

| **Am**      | **C**      | **G**      |

**D**

two of what you re having and I ll take all of what you got to kill this

**Am**      | **C**      | **G**      |

goddamn lonely, goddamn lonely love.

Sister, listen to what your daddy says.

Don t be ashamed of things that hide behind your dress.

Belly-up and arch your back.

Well I ain t really falling asleep; I m fading to black.

You could come to me by plane, but that wouldn t be the same

as that old motel room in Texarkana was.

So I ll take two of what you re having and I ll take all of what you got

to kill this goddamn lonely, goddamn lonely love.

| **Em**      | **C**      | **G**      | **D**      **Em**

Stop me if you ve heard this one before a man walks into a bar and

| **C**      | **Cm**      | **G**      |

leaves before his ashes hit the floor.

| **Em**      | **C**      | **G**      | **D**      **Em**

Stop me if I ever get that far the sun s a desperate star that

| **Am**      | **C**      | **Cm**      |      |      | (six bars)

burns like every single one before.

And I could

| **D**      | **D**      | **Am**      | **Am**

find another dream, one that keeps me warm and clean but I ain t

| **C**      | **Cm**      | **G**      |

dreamin anymore, I m waking up.

So I ll take

| **Am** | **C** | **G** | **D**  
two of what you re having and I ll take all of what you got to kill this  
**Am** | **C** | **G** |  
goddamn lonely, goddamn lonely love.
