Take it from meâ€¦ We ain t never gonna change.

Daddy used to empty out his shotgun shells and fill em full of black-eyed peas.
He d aim real low and tear out your ankles or rip right through your knees.
There ain t much traffic on the highway. There ain t much traffic on the lake.
The ATF and the ABI got everything they could take.
Take it from meâ€¦ They didn t take it from me.

We ain t never gonna change.
We ain t doin nothin wrong.
We ain t never gonna change
so shut your mouth and play along.

I thought about going in the army. I thought about going overseas.
I wouldn t have trouble with a piss test; only problem is my bad left knee.
My brother got picked up at Parker s, got him a ride in a new Crown Vic.
They said that he was movin on a federal level but they couldn t really make it stick.
Take it from meâ€¦

We ain t never gonna change.
We ain t doin nothin wrong.
We ain t never gonna change
so shut your mouth and play along.

You can throw me in the Colbert County jailhouse.

You can throw me off the Wilson Dam
but there ain t much difference in the man I wanna be and the man I really am.

We ain t never gonna change.
