There's this friend of mine I've known all my life

Who can't get it right no matter how hard he tries

He's got kids he don't see and several ex-wives  
**F** **F/E**  
And a list of bad decisions bout eight miles wide  
**Am** **C**  
Trouble with the law and the IRS  
**F** **F/E**  
And where he'll get the money's anybody's guess  
**Am** **C**  
He's a long way off but if you was to ask  
**F** **F/E**
