Am C G Am G*
The sun goes down on a hazy drunken Sunday

Am C G Am
And I?m thrown into the push of another Monday

Am C G Am
I work all day so my papa can?t say I?m bad

Am C G Am
But when I wake in the morning oh man I feel, feel so mad

Am C G Am
Never look back, never look back, never look, never look back
Never look back, never look back, never look, never look back

Am C G Am
People tell me that I gotta have a good foundation

Am C G Am
But all, all I ever want, all I ever want is a celebration

Am C G Am
I always walk on the bright side of the ro-ad

Am C G Am
I just step back babe, and watch the day, watch the day unfold, I said

Never look back, never look back, never look, never look back
Never look back, never look back, never look, never look back

Am C G Am (2x)

here the bass plays F Bb G(m) C while the guitar turns around on F, Fsus4 and F9

F Bb Gm C
Got a little secret, we never knew how to play, but we did anyway
F Bb Gm C
Got a little angel, she?s an angel to me but a devil to you
