<b>G#m</b>	<b>B</b>	<b>F#</b>	<b>G#m</b>	<b>F#*</b>
The sun goes down on a hazy drunken Sunday				
<b>G#m</b>	<b>B</b>	<b>F#</b>	<b>G#m</b>	
And I?m thrown into the push of another Monday				
<b>G#m</b>	<b>B</b>	<b>F#</b>	<b>G#m</b>	
I work all day so my papa can?t say I?m bad				
<b>G#m</b>	<b>B</b>	<b>F#</b>	<b>G#m</b>	
But when I wake in the morning oh man I feel, feel so mad				

<b>G#m</b>	<b>B</b>	<b>F#</b>	<b>G#m</b>
Never look back, never look back, never look, never look back			
Never look back, never look back, never look, never look back			

<b>G#m</b>	<b>B</b>	<b>F#</b>	<b>G#m</b>
People tell me that I gotta have a good foundation			
<b>G#m</b>	<b>B</b>	<b>F#</b>	<b>G#m</b>
But all, all I ever want, all I ever want is a celebration			
<b>G#m</b>	<b>B</b>	<b>F#</b>	<b>G#m</b>
I always walk on the bright side of the ro-ad			
<b>G#m</b>	<b>B</b>	<b>F#</b>	<b>G#m</b>
I just step back babe, and watch the day, watch the day unfold, I said			

Never look back, never look back, never look, never look back  
Never look back, never look back, never look, never look back

**G#m B F# G#m** (2x)

here the bass plays F Bb G(m) C while the guitar turns around on F, Fsus4 and F9

<b>E</b>	<b>A</b>	<b>F#m</b>	<b>B</b>
Got a little secret, we never knew how to play, but we did anyway			
<b>E</b>	<b>A</b>	<b>F#m</b>	<b>B</b>
Got a little angel, she?s an angel to me but a devil to you			

**E**                    **A**                    **F#m**                    **B**  
Got a little homesick, but we got more sick of being at home  
**E**                    **A**                    **F#m**                    **G#**  
Got a little secret, we never knew how to play, but we did anyway

Never look back, never look back, never look, never look back  
Never look back, never look back, never look, never look back.....
