But they re afraid I ll run away, and never better myself.  
Why don t you turn around and tell me so, instead of wasting my time.

Far above what you believe I kept on hoping I d find your relief.  
But far away you kept me down you fenced me in around all your song.  
Around the bend you kept me up \*(not sure of the words here not in liner)\*  
Alight my way down to the sea I kept on hoping that you d see me
