**G**  
I grew up just west of the tracks  
**D C**  
holding me to hold you back, around your door she s calling out my name  
**G D**  
She said son won t you go outside, I ve got a man coming over tonight  
**C**  
the seventh one in seven days  
**G**  
So I walk on down to the parking lot,  
**D C**  
hang around with all my friends, and roam the streets til dawn breaks again  
**G D**  
I come in at five a.m. and she is waiting for me  
**C**  
She said where have you been, I said I was out,  
**G D C**  
She said you re no good cause you re running without love

CHORUS

**G**

Cause I m going straight to hell

**D**

Just like my momma said

**C**

I m going straight to hell

**G**

I m going straight to hell

**D**

Just like my momma said

**C**

I m going straight to hell

The black widow and the ladies man  
Met down at the laundrmat and tried to make me understand  
The neighbors were all in a stir  
about what they might have heard  
and running down and shouted out it seemed

Next door a girl she lives about the same age as me  
and asked me to come upstairs for a see  
Just then her mother burst in said your that son of a bitch in the wind  
Get out of my house and hit the road  
and I kept fallin like a Rolling Stones song

CHORUS

The stars came out and warned me so  
As I walked on down the road  
Fifty bucks and a suitcase steered me clear  
She took my hand as we walked into the sun  
A new days promise had begun  
We ll make it alone whether you like it or not  
I turned around and shouted help me mother

CHORUS
