D **F#m**
A hungry feeling, came o'er me stealing
G **D** **E** **G**
And the mice they were squealing in my prison cell
D **F#m**
To begin the morning, the warden bawling
G **D** **E** **G**
Get up out of bed boy, and clean out your cell
D **F#m**
And that auld triangle, went jingle jangle
G **D** **A** **D**
All along the banks of the Royal Canal

That s pretty much it for the whole song.

Thanks
