This man so humble, this man so brave

Chorus: Play like other chorus

Say hey Johnny, the battle call
United we stand, divided we fall
Together we are what we can't be alone
We came to this country, you made it our home

Verse 2: Play like other verse

A friend to the locals who dabbled in crime
He'd give you a job and he'd give you his time
He wasn't a crook but he couldn't be conned
John knew the difference between right and wrong
Say Johnny me boy, you live no longer
Others forgotten, your memories stronger
Let's drink to the causes in your life
Your family, your friends, the union, your wife

Chorus: It's played x2, the first time with no guitar, the second time with

Verse 3: Just like the others

And the boys on the docks needed John for sure
When they came to this country he opened the door
He said men I'll tell ya, they don't like our kind
Though it starts with a fist it must end with your mind

Play the chorus one more time
