Chorus: Play like other chorus

Say hey Johnny, the battle call United we stand, divided we fall Together we are what we can t be alone We came to this country, you made it our home

Verse 2: Play like other verse

A friend to the locals who dabbled in crime He d give you a job and he d give you his time He wasn t a crook but he couldn t be conned John knew the difference between right and wrong Say Johnny me boy, you live no longer Other s forgotten, your memories stronger Let s drink to the causes in your life Your family, your friends, the union, your wife

Chorus: It s played x2, the first time with no guitar, the second time with

Verse 3: Just like the others

And the boys on the docks needed John for sure When they came to this country he opened the door He said men I ll tell ya, they don t like our kind Though it starts with a fist it must end with your mind

Play the chorus one more time

Ending: C C G C

That s it. I love this song. Email me with questions, and rate this please.
