Intro:

**C F G**

**C**

All of my dreams seem to fall by the side like a

**F G**

discarded thought or the day s fading light

**C**

But I know if I could just see you tonight

**F G**

Forever

**C**

At times we may fall like we all tend to do

**F G**

but I ll reach out and find that I ve run into you

**C**

Your strength is the power that carried me through

**F G**

Forever

**F G**

**F G**

**F G**

**F G**

**C**

Your kindness for weakness I never mistook

**F G**

I worried you often but you understood

**C**

That life is so fleeting these troubles won t last

**F G**

Forever

**C**

Inspired me truly you did from the start

**F G**

To not be afraid and to follow my heart

**C**

There s a piece of you with me they can t tear apart

**F G**

Forever
