Hang Em High
Dropkick Murphys

Intro: **F#** (4x) Chorus
Chorus:**E A E B E A B D# E F#**

F#   **E A B**
We waited together for the cowards to come
F#   **E A B**
Outgunned and outnumbered but we wouldnâ€™t run
F#   **E A B**
No mercy, no quarter, Theyâ€™ll pay for their sins
C#
Now lower the cannons the battle begins
       E   **A**
We waited together for the cowards to come
       E   **B**
Outgunned and outnumbered but we wouldnâ€™t run
        E
No mercy, no quarter
            A
Theyâ€™ll pay for their sins
      B   **D#**   **E**   **F#**
Now lower the cannons the battle begins

F#   **E A B**
We weighed anchor in anger, set sail for revenge
F#   **E A B**
Hoisted the canvas turned her into the wind
F#   **E A B**
Weâ€™ll hang â€˜em high for justice and the whole world will see
C#
Now off with their heads boys and bring â€˜em to me

  E   **A**
We waited together for the cowards to come
      E   **B**
Outgunned and outnumbered but we wouldnâ€™t run
        E
No mercy, no quarter
            A
Theyâ€™ll pay for their sins
      B   **D#**   **E**   **F#**
Now lower the cannons the battle begins

Interlude: **C# E A E B** (2x)

          C#   **E**
Weâ€™ll rattle the sabers for the tyrantsâ€™ demise

```
       A                        E          B
Feed half to sharks and the rest to the flies
     C#                          E
An honorable death for you would be too nice
                A                E        B
Iâ€™d like to savor the moment and kill you twice

  E                         A
We waited together for the cowards to come
     E                           B
Outgunned and outnumbered but we wouldnâ€™t run
       E
No mercy, no quarter
          A
Theyâ€™ll pay for their sins
      B        D#           E       F#
Now lower the cannons the battle begins

  E                         A
We waited together for the cowards to come
       E                         B
Outgunned and outnumbered but we wouldnâ€™t run
       E
No mercy, no quarter
           A
Theyâ€™ll pay for their sins
      B        D#            E       F#
Now lower the cannons the battle begins
```
